#### **Singles or Doubles Play:**

Tailgate Darts can be played as doubles or singles. In doubles play, two contestants are partners against another team of two contestants. Team members stand at opposite targets and do not rotate. In singles play a contestant competes against another contestant. Both contestants throw from the same target. After each round, darts are retrieved and thrown back at opposite target.

#### **Rules:**

Every Tailgate Darts match is broken down into innings of play. An inning is complete when all dart tosses are thrown. An inning is never completed until all contestants toss all of their dart tosses.

#### **Value of the Tailgate Dart Tosses:**

A dart toss scores the number of points that is designated on the target where it lands. If the dart toss overlaps between 2 scoring sections, the players receive the score of the lower value (even if the larger portion of the dart tip is in the higher section).

If the dart toss lands on the background, or if it overlaps with the background, zero points are scored.

If another player's dart toss hits yours and moves it, the dart tosses will be scored from the end location of each the dart toss.

#### **Scoring:**

Both teams can score points in an inning. At the end of an inning, both teams will add up their inning total and add that score to their total from the previous inning.

#### **Throwing Dart Tosses During Play:**

In doubles play, teams alternate dart tosses until each team has thrown both of their dart tosses.

In singles play, players alternate dart tosses until each player has thrown both of their dart tosses.

Tosses must be thrown underhand.

#### **Getting Started:**

To select which players/teams will pitch first, each player, or one player from each team, pitches a dart toss at the target and the player/team that comes closest to the center bullseye of the 100 point target pitches first. In the event both players/teams pitch their dart toss equidistant from the bullseye, a tie is declared and both players/teams re-pitch their dart tosses until a winner can be declared.
