RTP® READY TO PLAY

All Franklin® gloves are designed with our ready-to-play technology, ensuring they are flexible, functional, and durable. Because gloves should go straight to the field without any break-in required.

CFS CONTOUR FIT SYSTEM®

Our obsession with elite fit and feel lead us to engineer and contour all wrist closures such that they allowed maximum flexibility and performance. We've studied the human hand and crafted our gloves as an extension of such.

HAND-CRAFTED

All of our fielding gloves are hand-crafted by skilled professionals who pass the gloves onto "fit experts." Every inch of the glove is inspected and re-worked until we are confident the fit, feel, and performance are elite.
