PERFORMANCE PICKLEBALL-X SERIES

•Durable rubber surround for maximum protection •Large sweet spot for all skill levels

•Superb balance for serving, ground strokes, volleys, and dinking

FIBERGLASS X-CALIBER

The X-Caliber by PICKLEBALL-X® is a responsive paddle when every play counts. It's constructed from fiberglass with a nomex core which allows this paddle to have the perfect sweet spot. It's hard to lose control of the game with a paddle as balanced as the X-Caliber. Step onto the court with confidence, step onto the court with the X-Caliber paddle.
