POLYPROPYLENE CORE PICKLEBALL PADDLE

X1000

X-1000 PADDLE

• **SWEET SPOT:** This paddle is constructed with an energetic 6mm thick Polypropylene core that is ready to take down you opponents.

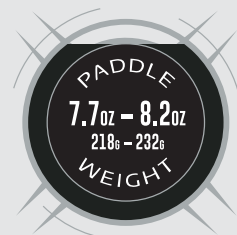

• **ADVANCED MATERIALS:** Our state-of-the-art Polypropylene honeycomb core creates a strong and durable surface that can withstand long days of pounding on the court.

• **COMFORTABLE:** This paddle comes equipped with the best grip on the market. Our form fitting grip does not slip even under the most heated of games.

• **DURABLE:** We've engineered our edge band to provide the best protection in the industry from accidental abuse during play.

CORE

VIBE PADDLE

• **SWEET SPOT:** This paddle's core is the big brother to our X-1000 (52855). The VIBE comes equipped with a thicker 8mm core that creates a ridiculous amount of energy when hitting the ball, which results in a massive amount of pop on return.

• **ADVANCED MATERIALS:** Our state-of-the-art Polypropylene honeycomb core creates a strong and durable surface that can withstand long days of pounding on the court. Similar to the X-1000 but engineered to have larger hexagonal core construction to reduce weight.

• **COMFORTABLE:** The VIBE paddle has the largest grip out of all the paddles in our line. When games get demanding, the VIBE grip steps up to the challenge. Our form fitting grip does not slip even under the most heated of games.

• **DURABLE:** We have engineered our edge band to provide the best in the industry to protect the best paddles in the industry from accidental abuse during play.

X-CHARGE

X-CHARGE PADDLE

- **DURABLE:** Our patent pending Polymethacrylimide (PMI) core is an extremely robust material that is extremely durable. This is a paddle that will not only perform, it will dominate for years!
- **LIVELY SWEET SPOT:** Thanks to our patent pending core materials this paddle has the most unique sweet spot on the market that will launch the ball back over the net.
- **ADVANCED MATERIALS:** This is the only paddle in the market made with core materials currently used in the airline industry. Our PMI core is not only durable but very lightweight and plays unlike any other paddle.
- **COMFORTABLE:** This paddle comes equipped with a form fitting quality grip that won't slip from your hand during aggressive play.
