ENGINEERED EXCLUSIVELY FOR THE FASTPITCH PLAYER!

The official glove of USA Softball, Franklin’s CFX® FP has been engineered by our glove experts specifically to fit the needs of the female fastpitch player. This series features women’s sizing to provide the perfect fit to achieve peak performance.
We used 6.8 inches, the average length of a woman’s hand, as a starting point to contour a narrower girth and more snug fit to accommodate the female fastpitch player.

Handed, processed, and thoroughly inspected by our team of experts to ensure quality, durability, softness, and suppleness.

Anticipates flexing of your palm for a perfect fit around the bat handle.
The glove that started it all, Franklin’s Pro Classic represents the heritage of our batting glove line. Hall of famer Mike Schmidt helped to design the glove for lasting success at the major league level. Pros ranging from Cal Ripken and Kirby Puckett to Yadier Molina and Chase Utley have proudly embraced the style. With a one-piece, ultra-comfortable pro-grade spandex handback and a seamless Pittards® Digital cabretta leather palm, you’re going to be glad the legend has returned.
