REVOLUTIONARY WRIST-FASTENING CLOSURE

Working closely with our professional MLB athletes, we’ve engineered the perfect-fit wrist-closure system. No adjustments will be necessary at the plate, as you are guaranteed a locked-in, snug fit and feel. Our highest-quality, one-piece smooth sheepskin leather palm promises softness and superior grip in all conditions.

U.S. Pat. No. 10,111,477
Enhanced POWERSTRAP™ closure provides superior support and limits glove re-adjustments at the plate.

Premium smooth cabretta leather handled, processed and thoroughly inspected by our team of experts to ensure quality, durability, softness, and suppleness.

Single piece palm construction helps maximize comfort, durability, and life-span of the gloves.

ENGINEERED EXCLUSIVELY FOR THE FASTPITCH PLAYER!

The official glove of USA Softball, Franklin’s CFX® FP has been engineered by our glove experts specifically to fit the needs of the female fastpitch player. This series features women’s sizing to provide the perfect fit to achieve peak performance.
We used 6.8 inches, the average length of a woman's hand, as a starting point to contour a narrower girth and more snug fit to accommodate the female fastpitch player.

Handed, processed, and thoroughly inspected by our team of experts to ensure quality, durability, softness, and suppleness.

THE CLASSIC IS BACK

The glove that started it all, Franklin’s Pro Classic represents the heritage of our batting glove line. Hall of famer Mike Schmidt helped to design the glove for lasting success at the major league level. Pros ranging from Cal Ripken and Kirby Puckett to Yadier Molina and Chase Utley have proudly embraced the style. With a one-piece, ultra-comfortable pro-grade spandex handback and a seamless Pittards® Digital cabretta leather palm, you’re going to be glad the legend has returned.

All Franklin® gloves are designed with our RTP READY TO PLAY® technology, ensuring they are flexible, functional, and durable. Because gloves should go straight to the field without any break-in required.

Our obsession with elite fit and feel lead us to engineer and contour all wrist closures such that they allow maximum flexibility and performance. We’ve studied the human hand and crafted our gloves as an extension of such.

All of our fielding gloves are hand-crafted by skilled professionals who pass the gloves onto “fit experts.” Every inch of the glove is inspected and reworked until we are confident the fit, feel, and performance are elite.

REDUCE THE STING

The Gator Grip knob is a premium, multi-functional training aid for all levels of play! Primarily utilized for its sting-reduction benefits, the knob also protects the heel of your hand throughout your swing and can be stacked to assist with choking up on the handle. Engineered to flex onto most bat handles, this ultra-durable construction is certain to become a regular in everyday at-bats!
