THE BEST SUPPORT IN THE GAME. PERIOD.

If you’re looking for the optimal fusion of performance, durability and support, look no further than the Powerstrap® Infinite Series. Crafted in tandem with our pro players, the thicker Pittards® Pro Trainer Cabretta Leather maintains a superior softness without compromising the Franklin bat feel we all know and love. The integrated pin-prick breathability in the palm keeps your hands dry – an absolute must for thicker performance leather – and a 100% seamless and patch-free palm ensures that you’re feeling the bat and not the seams. Finished with our unique 60mm extra-tall wrist wrap effortlessly integrated into our Powerstrap™ closure tab, this series provides the best support in the game. Period.

U.S. Pat. No. 10,111,477
Premium thicker, yet supple .85mm pro-stock performance leather

Extended cuff with extra tall 60mm, 360° wrap for elite comfort and support

Single-piece palm construction, never compromising feel or performance

As compared to our traditional Franklin batting gloves

An absolute must for thicker performance leather and so small that it doesn’t compromise durability
REVOLUTIONARY PATENTED WRIST-FASTENING CLOSURE

Working closely with our professional MLB athletes, we’ve engineered the perfect-fit wrist-closure system. No adjustments will be necessary at the plate, as you are guaranteed a locked-in, snug fit and feel. Our highest-quality, one-piece smooth sheepskin leather palm promises softness and superior grip in all conditions.

ENGINEERED EXCLUSIVELY FOR THE FASTPITCH PLAYER!

The official glove of USA Softball, Franklin’s CFX® FP has been engineered by our glove experts specifically to fit the needs of the female fastpitch player. This series features women’s sizing to provide the perfect fit to achieve peak performance.
We used 6.8 inches, the average length of a woman’s hand, as a starting point to contour a narrower girth and more snug fit to accommodate the female fastpitch player.

Handed, processed, and thoroughly inspected by our team of experts to ensure quality, durability, softness, and suppleness.

SUPERIOR GLOVE TECHNOLOGY

All Franklin® gloves are designed with our RTP READY TO PLAY® technology, ensuring they are flexible, functional, and durable. Because gloves should go straight to the field without any break-in required.

Our obsession with elite fit and feel lead us to engineer and contour all wrist closures such that they allow maximum flexibility and performance. We’ve studied the human hand and crafted our gloves as an extension of such.

All of our fielding gloves are hand-crafted by skilled professionals who pass the gloves onto “fit experts.” Every inch of the glove is inspected and reworked until we are confident the fit, feel, and performance are elite.

REDUCE THE STING

The Gator Grip™ knob is a premium, multi-functional training aid for all levels of play! Primarily utilized for its sting-reduction benefits, the knob also protects the heel of your hand throughout your swing and can be stacked to assist with choking up on the handle. Engineered to flex onto most bat handles, this ultra-durable construction is certain to become a regular in everyday at-bats!

- **Absorbs shock and reduces bat vibration after contact to eliminate hand sting**
- **Enhances grip on the bat handle. Can be used for both wood and aluminum bats**
- **Durable construction ensures a well-secured, long-lasting fit**
