GAINING GROUND

NEXT LEVEL INDOOR VOLLEYBALL

In partnership with Kerri Walsh Jennings, Franklin Sports aims to bring premium volleyballs that serve every level of the game. From the 12 and under players who are new to the sport, to players who are developing and honing their skills and aiming to play at the highest level, there's a ball for every athlete in this collection.

9000
LIGHTWEIGHT TRAINING BALL

The traditional 18-panel construction features high-performance materials but with a weight that's approximately 25% lighter, this ball is perfect for skill development in players 12 and under.

6000
INDOOR TRAINING BALL

The 6000 Indoor Training ball is the quintessential ball for practices and training at all levels of competitive play. Its composite cover is soft but abrasion resistant, making it able to withstand the repetitions of volleyball, practice after practice and match after match.

9000
INDOOR GAME BALL

Constructed with an advanced micro-fiber, synthetic leather cover for ultimate feel and responsiveness, the 9000 Indoor Game Ball is suited for all athletes playing competitively, from those just learning the game on their first club team to athletes at the collegiate level.

9000 18P INDOOR GAME BALL

With the 9000 Indoor Game ball, Serve with confidence, control your set and direct your spike to the desired spot on the court.

FEATURES:

- The composite leather is engineered to provide superior balance for perfect power and control
- High performance Micro-Fiber composite leather ensures durability and a consistent performance
- Vibrant contrasting panels are color blocked to provide crisp, sharp contrasting colors to enhance visuals for superior tracking under all indoor lighting conditions
- Durable enough to last throughout training periods while maintaining top match performance
- Designed to support high intensity play for controlled serves, precision sets and stronger kills
- Constructed for Indoor use
- Official Size and Weight

9000 18P INDOOR LIGHTWEIGHT BALL

Players 12 and under who are serious about the game can develop their skills with the Franklin Sports 9000 Light Weight Volleyball. Specifically crafted for the young athlete dedicated to improving their playing skills. This regulation size ball is built 25% lighter to help younger players develop well rounded skills with less fear and more confidence.

FEATURES:

- Soft, High performance Micro-Fiber composite leather cover for durability and consistency
- The vibrant white ball provides greater focus that enhances players touch points as they develop proper techniques
- Designed to support safe, high intensity training and skill building to improve your match performance
- Constructed specifically for indoor use by those 12 and under
- Official Size and lightweight

FRANKLIN® FUTSAL BALL

Futsal is a great skill developer, demanding quick reflexes, fast thinking and pin point passing. The low bounce feature stimulates precise ball control and technical skill building, increases agility, helps develop lightning reflexes and improves decision making. The ball has less bounce to stay in play longer and promotes close ball control. Learn to think and react well under pressure on full field soccer games.

- Crafted with soft abrasion resistant cover that provides an excellent touch and feel
- Our stuffed and wound low bounce bladder keeps the ball low to the ground and works especially well indoors and outdoors
- Dynamic colorful graphics so that you can impact and dominate your Futsal and indoor Soccer leagues
- Futsal size and weight is smaller and heavier than traditional soccer balls
- Size 4: Circumference: 62-64cm/24.4-25.2in, Weight: 430+/-10g
