PLAYING INSTRUCTIONS

The first player to reach 21 will be declared the winner. Each player takes their 3 colored balls. Players will alternate throwing their balls from an agreed on distance until all of their balls have been thrown. After all balls have been thrown, the players will add up their points. For each ball that lands in the net that player will get 1 point. If all 3 of their balls land in the net, they will receive a total of 5 points.
