GENERAL NOTE

1. Find a clean, level place to begin the assembly of your Table Tennis Table. We recommend that two adults work together to assemble this Table Tennis Table.

2. Remove all the parts from the box and verify that you have all of the listed parts as shown on the parts list page. Carefully cut or tear the four corners of the box so that the bottom of the box can be used as your work surface.

STEP 1

PARTS

1. Open the two Table Halves (#1) as shown.

2. Unscrew the 4 Leg Levelers (#4) to retrieve the two Support Bars (#2).

3. Remove the Metal Posts (#3) and set it aside for later assembly.

4. x8

NOTE

PARTS

STEP 2

NOTE

1. x2

2. x4

3. x2

4. x8

Open the Metal U-Legs (#7) as shown and attach the 4 Leg Levelers (#4).

Attach the Support Bars (#2) to the leg folding hinge as shown.

NOTE

Push up hinge to align the support bar to lock in.
**STEP 3**

Adjust the support bolt (as shown) downward so the head of the bolt touches the frame. Remarks: make sure this process is done on a flat surface.

Loosen up the wing bolt on the support bar slightly and slide latch to lock support bar to the surface.

Repeat the Support Bar (#2) assembly on both sides as well as the other half of the table.

Assembly is completed and you can now turn table halves over.

---

**STEP 4**

Flip the Table Tops (#1) and push together. Adjust the Leg Levelers (#4) until entire table is level.

Insert Metal Posts (#3) into side holes and secure with locking nuts. Slide Net (#5) over the posts.

---

YOU ARE NOW READY TO PLAY!
