

**MULTI PLAYER:**

Set a boundary line for you and your opponent to shoot from. Turn on the target and divide the colored bean bags between teams. Stand about 4 feet (1.22m) from each other, and shoot when the bean bag target moves toward you! The first player to 21 points wins!

If you're playing with teams, then each player on a team gets 3 shots before passing to the next.

**YOU ARE NOW READY TO PLAY!**

# ASSEMBLY INSTRUCTIONS

## GENERAL NOTES

- Remove all components from packaging.
- Sort all components using the parts list.

### STEP 1

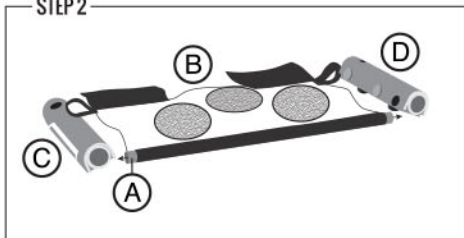

#### PARTS

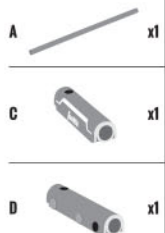

#### NOTE

Insert part **A** into the long bottom sleeve of part **B**.

### STEP 2

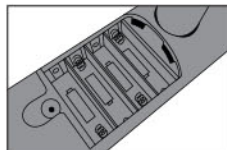

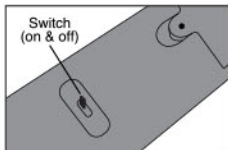

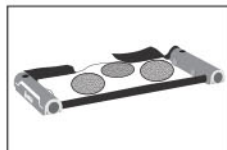

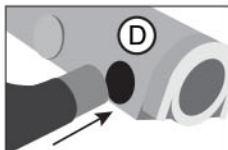

#### PARTS

#### NOTE

Insert the left end of part **A** into the insert hole of part **C** as shown.

Insert the right end of part **A** into the insert hole of part **D** as shown.

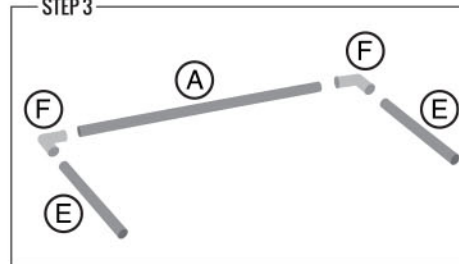

#### NOTE

Insert batteries into part **D**.

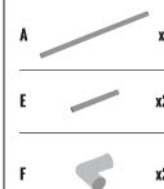

Requires 4 "AA" size batteries (not included). Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.

# ASSEMBLY INSTRUCTIONS

### STEP 3

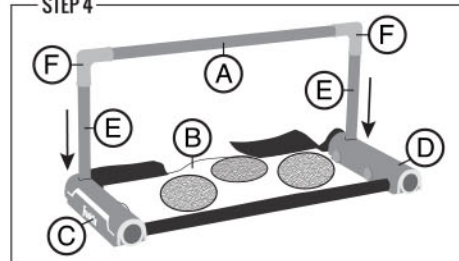

#### PARTS

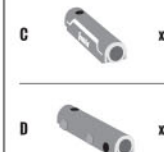

#### NOTE

Assemble the frame for the target as shown.

### STEP 4

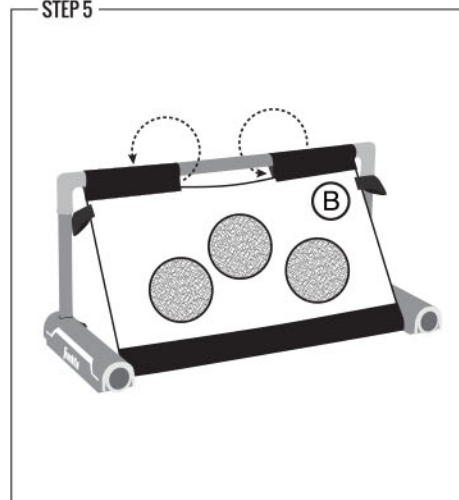

#### PARTS

#### NOTE

Insert the frame into the insert holes of part **C** and part **D** as shown.

### STEP 5

#### PARTS

#### NOTE

Lift the target and wrap each self-stick sleeve around the top shelf tubing as shown. Make sure that the self-stick sleeve is snug, without pulling the frame forward too much. Adjust the frame and ensure that all 4 wheels under the base touch the floor fully. When finished, the frame should be at a 90 degree angle from the moving bases. If the frame is leaning forward at all, the self-stick sleeves have been applied too tightly.
